#### LARGE AREA OF LAND WITHDRAWN RINCON MOUNTAINS AND TRACT ALONG COLORADO TO BE MADE PART GOVERNMENT PROJECT.

Two important telegrams have been received at the Tucson, Ariz., land office. They were from General Land Commissioner W. A. Richards, of Washington, D. C., notifying the land office that the Rincon mountains are temporarily withdrawn from entry under the mineral laws, and that the land in the vicinity of Yuma, along the Colorado river, was temporarily withdrawn from entry. It is the purpose of the government to use the land in the Rincon mountains for the establishment of a big forest reserve. There are hundreds of fine trees in these mountains and it is the intention of the government to preserve them. The forest rangers who had been stationed in the Rincon mountains were withdrawn some time ago. They will likely be maintained there now and additional rangers allotted to this reserve. About 115,000 acres are embodied in the Rincon reserve. The Yuma reserve embraces parts of seven townships, whose combined area is 168,000 acres. The withdrawal was made in the interest of the Yuma irrigation project. It is likely that the lands will be opened to entry later. The withdrawal was undoubtedly made to stop speculation in all the

#### RAINS AND WASHOUTS DISAPPOINT ROSWELL ELKS

The plans of the local Elks to have their lodge instituted here today have been spoiled by the rains and washouts. District Deputy Renshaw and ten Elks from Albuquerque and Santa Fe, had started to Roswell via Torrance and the automobile line, when they had to change their plans and come by rail on account of the muddy automobile road. They went to El Paso and had gotten as far north as Pecos, when they heard of the washing out of the Pecos bridge. They then telegraphed here for instructions and the local Elks told them to go around by Delhart and Amarillo and come in from the north. This is a two-days' trip, so they cannot get here before Thursday evening. It is now hoped to start the lodge work on Thursday night or Friday and have the banquet Saturday night. Judge William H. Pope, who is a member of the Santa Fe lodge, has been secured to deliver the address of welcome. He was called upon this morning by a committee composed of

#### ALBUQUERQUE AT SILVER CITY

Mrs. Butts, sister of Miss Mary Lucas, is here visiting her sister and other relatives. Mrs. Butts is a teacher in the Albuquerque public schools and her work in the primary department ranks perhaps the highest in the territory. Adolf F. Witzel and wife were arrivals on Sunday's train from Albuquerque and immediately went out to Santa Rita, where they expect to spend a few days. Mr. Witzel is the general salesman of the Lemp Brewing company and has a large number of friends in this county, where he and family formerly resided, who are always glad to greet him on his periodical trips here.—Independent.

#### ROBE AND HEAD-DRESS OF A KLU-KLUX KLAN

W. R. Price has presented to the Historical society, at Santa Fe, a robe and head-dress used by the Klu-Klux Klan of the south during the reconstruction period after the Civil war. This clan was similar to the White Caps and committed many crimes. The trophy is of black cloth, studded here and there with patches of white. The head dress consists of a tall, pyramid shaped crown, and a long black visor, in which are holes for the eyes and mouth. The society is grateful to Mr. Price for this donation.
